

## Bevica Scholarship Programme Universal Design accommodations

We strive to practice universal design in all aspects of the Scholarship Programme.

We offer different formats and ways of participating in both the workshop and online modules.

If you find that any accommodations are missing, please let us know at [scholarship@bevica.dk](mailto:scholarship@bevica.dk)

### The venue

All workshops are held at Musholm Konference og Feriecenter, owned and developed by the Danish Muscular Dystrophy Association. Musholm is the most accessible conference facility in Denmark and has won several international awards for universal design and accessibility.

All facilities used during the workshops are accessible.

Musholm offers a universally designed experience that includes both lighting, wayfinding, acoustics and level free access, as well as differences in size, ambience and use.

Musholm also has a variety of accessible bathroom facilities.

We offer a designated quiet zone during the workshops.

You can read more and see pictures of the facilities here <https://en.musholm.dk/>

Before the first workshop we will post a video of the venue.

### Transport

You can get to Musholm by train or by car.

By train - the main IC train line stop is Korsør station, there is a 10-minute walk or roll from the station to Musholm.

By car - drive to the address Musholmvej 100, 4220 Korsør. The conference center has very good and accessible parking facilities and parking is free.

### The Sessions

All plenary sessions have text interpretation.

Induction loop will be available in all plenary sessions.

All speakers have been briefed on how to present and design accessible presentations.

During the sessions you are free to stand or walk around if needed.

We offer a designated quiet zone during the workshops.

We strive to design a diverse program for the day offering diverse formats and durations as well as breaks.

The different elements of both the workshop activities and materials are purposefully designed to be different formats, so you can choose the formats that best fit your needs.

Details about parallel sessions will follow shortly.

## Information

All handouts and PowerPoint presentations are available on the workshop page online before the workshops.

All resources for the individual workshops will be collected on one page and sent to participants before the workshops.

If you experience difficulty finding or accessing any information, please reach out to us at [scholarship@bevica.dk](mailto:scholarship@bevica.dk)

## The menu

The menu for all the workshops is vegetarian and halal.

Allergens will be disclosed for the individual dishes.

If you have dietary needs, you have not disclosed in your sign-up formula, please reach out to us on [scholarship@Bevica.dk](mailto:scholarship@Bevica.dk)

## Fragrance

We encourage participants and speakers to abstain from using perfume and other artificial fragrances during the workshops.
